Operations Manager &  
KBBT Program Manager  
Hispanic Broadcasting Corporation  
1777 N.E. Loop 410, Suite 400  
San Antonio, TX 78217-5217

Dear Mr. Gonzalez:

This letter is to thank you for the tremendous contribution that Hispanic Broadcasting Company's radio station KBBT, 98.5 *The BEAT*, has made to the youth of our community. As a community partner to Project WORTH (Working On Real Teen Health), the City of San Antonio's teen pregnancy prevention program, HBC has provided outstanding support of this important community effort.

Project WORTH seeks to help San Antonio youth make healthy choices by emphasizing abstinence, parent communication, and youth development. Project WORTH involves many City departments and multiple components, including education programs for youth, parents, and City workers; public information and events; and teen clinics.

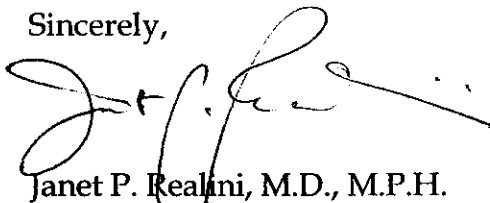

KBBT and Hispanic Broadcasting Company have committed impressive resources to Project WORTH and its message. Over the last two years, the Beat has been an active and dynamic community partner for Project WORTH. The Beat has helped in this important effort in a number of ways:

- Running Project WORTH's *Not Me, Not Now*® radio spots on the air in the evenings.
- Promoting Project WORTH and its message that Waiting is WORTH it!<sup>SM</sup> in public service announcements
- Co-sponsoring the Teen Health and Career Fair each May at South Park Mall. These fairs involve booths with information for youth and parents about health, education, and careers; entertainment, prizes, a song contest, and giveaways. HBC has provided DJs to emcee the 3-hour event, as well as tables & chairs, music, grand prizes, and giveaways – and promotion of the event.

- Promotion of an annual song contest for the best hip-hop song promoting waiting and healthy decisions among youth.
- Co-sponsoring "WORTH Parties". The BEAT provides great support for these events 2 to 4 times per year, including music, giveaways, refreshments, t-shirts, bumper stickers, CD's, and grand prizes, such as gift certificates and a boom box.
- Giving airtime and attention to Project WORTH events and messages. Rude Dogg and Danny B. from the Morning Show have welcomed Project WORTH staff on their Morning Show many times to promote events, and even included a "Battle of the Sexes" quiz on abstinence.
- The appearance by Morning Show DJ's Rude Dogg and Danny B. at City Hall in January 2002 and February 2003 for the Project WORTH press conference announcing the new numbers—and progress!—on teen pregnancy in Bexar County.
- Providing Rude Dogg and Danny B. to emcee the Talent Show at Normoyle Park in January 2002—and providing prizes and giveaways
- Marching with Project WORTH in the Dr. Martin Luther King, Jr. Day Celebration--January 2002 and 2003.
- Promoting on the air parent communication with their kids about sex.
- Providing on-air announcements and recruiting parents for the *Sex Ed for Parents* workshops.

The Beat has done all these things and more without remuneration—solely out of the station's commitment to the youth of San Antonio. It is clear that the youth of San Antonio listen to The BEAT, and that The BEAT and Hispanic Broadcasting are truly committed to the youth of our city. Seldom do we in Public Health have the opportunity to work with so powerful a force, and so generous a community partner.

Sincerely,

Hi, Cindy! Again, thanks for all you did for the party. We are looking forward to this Friday the 21st at Miller's Pond. Vincent and I are planning to come in at 7:30 for a morning show highlight.... The only thing that didn't go well was that the Ice Cream truck wasn't there....We are hoping he can be there this Friday. If not, we should try to arrange for something else, since kids were hot and thirsty and hungry. Please let me know what you think. I am not sure what other options there might be....See you Friday!

Dear Ms. Hill,

I would like to thank you for taking the time to talk to me on Wednesday, February 5. I called to tell you what a great job Rudy Garcia "Rude Dogg" did for the first annual Bacterial Meningitis walk that was held at Judson High School (Red Campus), on February 1, 2003. Rude Dogg was very supportive of our cause that he also walk 2.5 miles with us and he also had us live on broadcast that morning that made the organizers feel very special. This event was very special to us, one of our own alumni Cherice Cochrane died of this silent killer and our organization HOSA (Health Occupations Students of America) has made a promise to bring awareness to the administration and our community. Our goal is to have the vaccine on the Texas immunization card making it mandatory for freshman entering college to take the vaccine. We are at a great start thanks to Beat 98.5 and Rude Dogg. Cindy, I would appreciate if you can make two separate letters on the Beat 98.5 letter heads in reference to the event and Rude Dogg participation for publicity. One letter should be addressed to HOSA (Health Occupations Students of America) Chapter #1337, Judson High School, 9142 FM 78, Converse, Texas, 78109 and second one to the Bacterial Meningitis Community Awareness Project, Judson High School, 9142 FM 78, Converse, Texas, 78109. These two letters will be placed in two events at our Area I HOSA Competition which will be held in Austin, on February 28. Please mail the letters to my home address our school pony is very slow and I'm afraid that these letters will get lost. My address is as follows: Rose Ann Seale, 223 Nocturne Dr. San Antonio, Texas, 78216. If you need more information please contact me on my cell 269-8785. Thanking you in advance for your support.

Good morning Cindy,  
I have another small favor to ask of you. I know that it is very last minute, but as you can see I just got this e-mail from the Captain. The toys are again running very low and they are putting together another toy drive. The locations are listed in the e-mail below. As stated, Captain Cryderman is asking for any help you and the BEAT can provide. A few announcements here and there would be a GREAT help once again. This time around there will be no raffle for prizes, we're just depending on the good will and charity of

others to come through. Please feel free to give me a call if you have any questions. Thanks again Cindy.

> Have the Beat advertise the event(s) info on the radio. The

For

> each toy they bring, they are entered into a raffle for a chance to win

> one of many Beat prize packs (Limit one win per donor). The number and

> contents of Prize packs are at the Beats discretion.

> Prize pack suggestions: Spurs tickets, Movie passes, CD's, free gas, etc.....anything

> We will be taking donations for Toys for Tots until 19 December.

> Keeping in mind the families will be picking up toys from our donation

> center from about the first week of Christmas, until around the 23rd.

I

> don't know how many times the Beat would be willing to help out with this

> I have also received the support from the District Manager of The

> The Toys for Tots is strictly non-profit. All donations will go to

To 98.5 THE BEAT

Thanks for coming to Mustang Land. Ya'll did a great job pumping up the Mustang fans and ya'll were the talk of the town. We hope ya'll enjoyed it as much as we did. The Mustangs shortened the George West Longhorns 33 to 8, and the Lady Mustangs caged the Brackett Tigerettes. We hope ya'll will come again sometime. From the Natalia Cheer Sponsors and Cheerleaders THANK YOU.
